Getting the right vitamins

Keep your skin looking healthy and youthful

🛒 Supplement with Essential Skin Vitamins

Immediately replenishes what facial skin needs.

Direct skin basal layer conduction optimizes nutrient absorption, doubling its effectiveness.

◆ **Unique Bi-channel Penetrative Technique Guides the Absorption system**

1. Ultra-small molecules boost the efficient absorption of oil and water-soluble vitamins. The proprietary dual-channel transdermal directs the delivery method.
2. Precisely deliver the necessary nutrients and active ingredients that the skin lacks, effectively supplementing any deficits.
3. The absorption rate is 10-20 times higher when applied directly to the skin of the face.

◆ **98% extremely pure and high concentration**

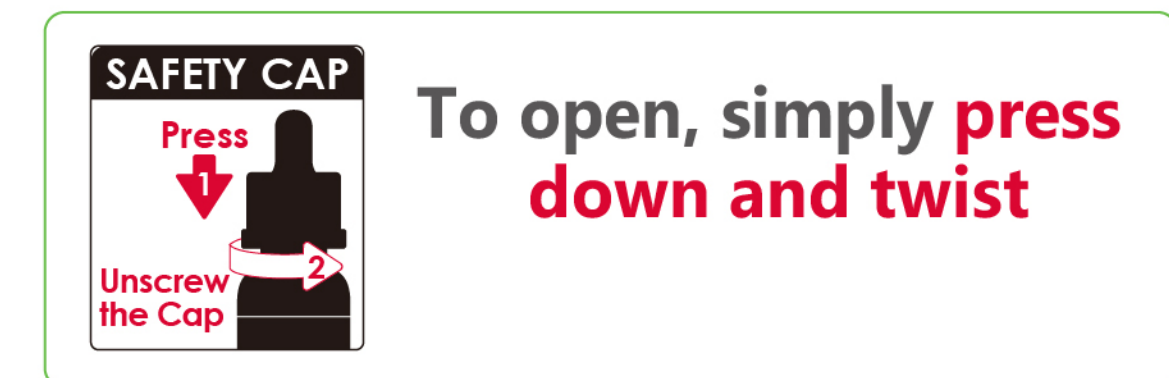

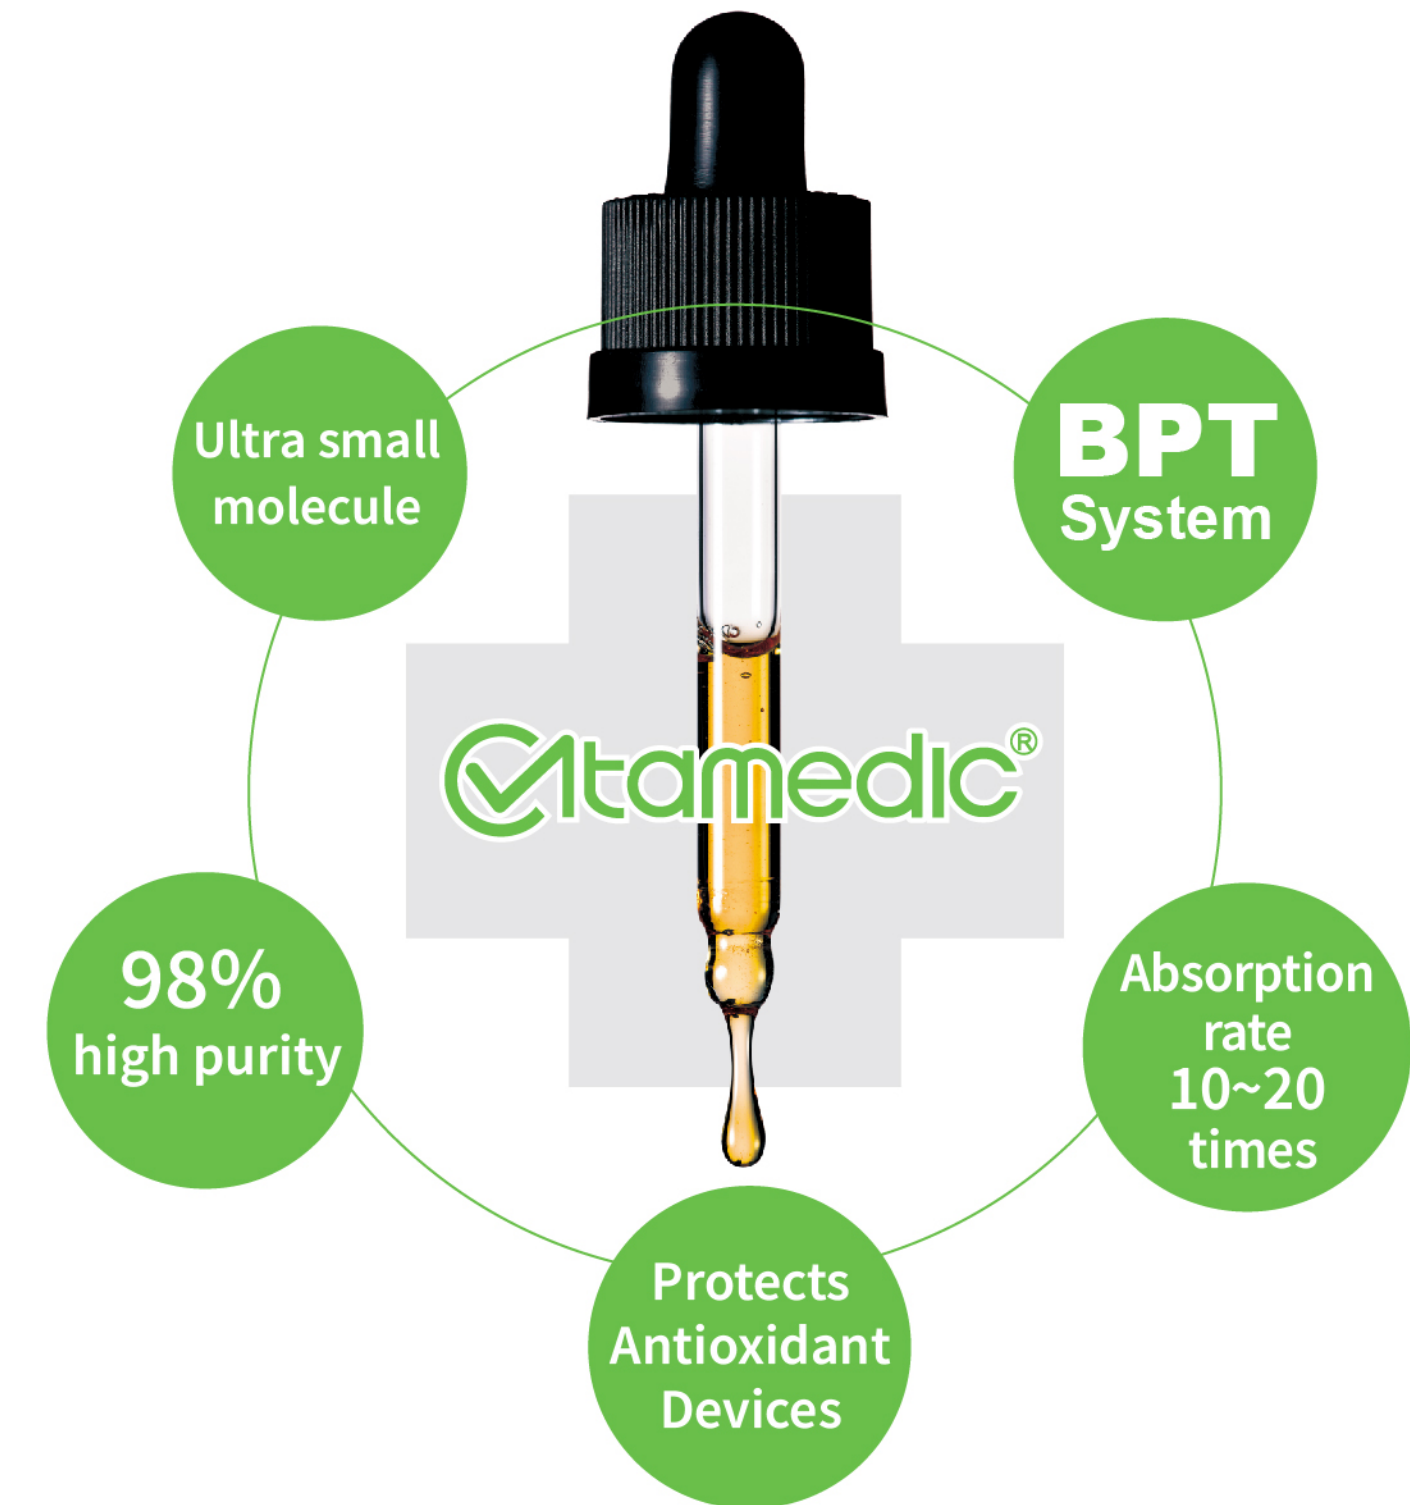

The high-end vitamins required by the skin are similar to the vitamin raw materials with a purity of more than 98%, allowing the skin to absorb enough to fulfill the goal of supplementation.

◆ **Smart maintenance**

It can be used together with other skin care products, making it more practical and efficient.

◆ **Enhanced Antioxidant Protection**

The entire series features a secure and airtight dropper design that effectively safeguards the active ingredients. This design prevents oxidation when exposed to air and ensures childproof sealing to prevent accidental opening.

Use the right supplements with essential nutrients and witness beautiful changes in the skin.

Harness the inherent nutritional benefits of each vitamin, ranging from A to C for a holistic skin transformation, addressing anti-aging, firmness, pore minimization, soothing, moisturizing, and whitening effects.

Moisturizing and soothing

Invisible pores

Anti-aging firming

Whitening and translucent

VITAMIN A PURE SERUM

- Anti-Aging
- Delicate skin
- Improve skin tone

5mL/20mL/50mL

VITAMIN A EYE CREAM

- Anti-Aging
- Delicate skin
- Improve skin tone

5mL/15mL

VITAMIN B3 PURE SERUM

- Improve enlarged pores
- Moisturizing
- Strengthen the barrier

5mL/20mL/50mL

VITAMIN B5 PURE SERUM

- Prevent skin inflammation
- Promote wound healing
- Effective antioxidant

5mL/20mL/50mL

VITAMIN C PURE SERUM

- Whitening and Lightening
- Collagen synthesis
- Enhance the skin's resistance

5mL/20mL/50mL

Vitamin A in skincare has been shown to hasten skin-cell renewal and boost collagen formation, which can not only prevent but also reverse premature aging symptoms including wrinkles and pigmentation.

VITAMIN A PURE SERUM

- ✓ Improve dullness
- ✓ Firm and lift
- ✓ Reduce fine lines

5mL/20mL/50mL

Feature

It possesses antioxidant properties, the ability to fend off free radicals, promotes skin repair and keratin metabolism, lessens wrinkles and roughness of the skin, and heightens skin firmness. Additionally, vitamin A serums help treat acne, scarring, and congested skin while exposing a more radiant and flawless complexion.

Ingredients

- 7% Bio Tamin A
- ARGIRLINE
- MYOXINOL
- BioStine HP
- Scleerotium Gum

Anti-Aging / Delicate skin / Improved skin tone

VITAMIN A EYE CREAM

- ✓ Firm skin
- ✓ Smooth fine lines
- ✓ Keratin Renewal

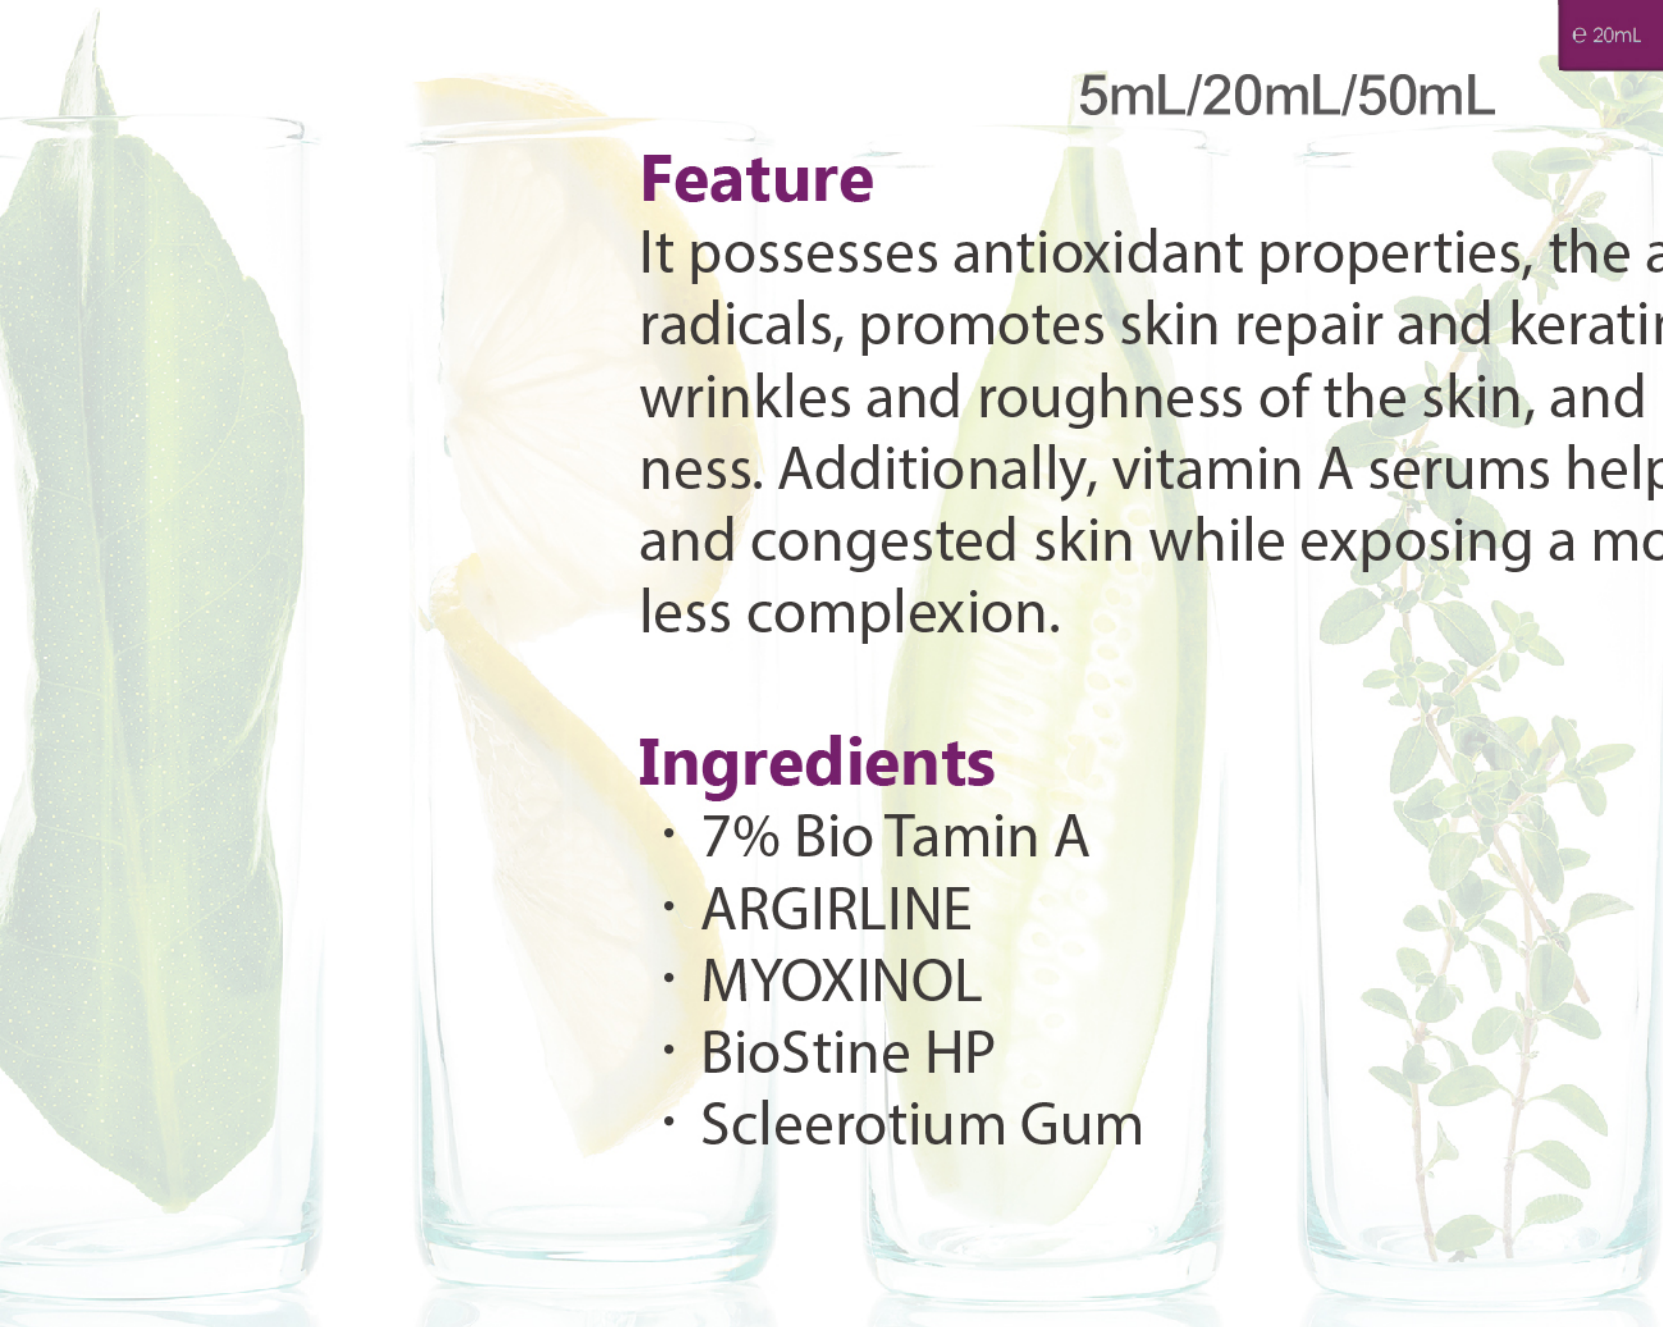

5mL/15mL

Feature

The ultimate solution to combat dullness around the eyes and rejuvenate for a radiant appearance. Infused with vitamin A, B3, tripeptide, coenzyme Q10, and snail repair factor, this powerful blend effectively combats oxidation, repairs damaged collagen fibers, and delivers remarkable results in reducing fine lines, anti-aging, and firming effects.

Ingredients

- 3% Bio Tamin A
- BioTamin
- 2% REVITALIN-BT
- SYN-EYE
- Coenzym Q10
- Poly-Helixan
- Panthenol

Niacinamide, vitamin B3, one of those ingredients you can find in practically every kind of skincare product. Be it a serum, moisturizer, or cleanser.

Insufficient B3 levels can lead to skin inflammation and compromised skin quality. Vitamin B3 serves as a potent remedy for various skin issues, combating aging, dullness, rough texture, enlarged pores, and reinforcing the protective function of the skin barrier. It is even beneficial for conditions like acne, sensitive skin, and seborrheic dermatitis, making it an excellent ingredient for comprehensive skincare.

VITAMIN B3 PURE SERUM

- ✓ Tighten pores
- ✓ Improve skin texture
- ✓ Radiant skin touch

5mL/20mL/50mL

Anti-Aging

Whitening and Lightening

Pore Improvement

Moisturizing

Enhance Barrier Strength

Feature

Vitamin B3 + hydrolyzed collagen is the best ingredient to regulate the health of the body. Utilizing high-purity vitamin B3, this formulation enhances skin surface tension by promoting the development of healthy keratinous tissue. As a result, it effectively minimizes pores and softens the skin. Infused with hydrolyzed collagen, it repairs uneven skin texture, leaving a smooth and hydrated sensation while enhancing overall skin quality.

This product contains natural extracts. Please note that It is normal for the color and presence of sediment to vary slightly between batches.

Ingredients

- 5% Niacinamid
- Hydrolyzed Collagen
- Corallina Officinalis Extract
- BEAUPLEX VHH
- BioStine Bicach

VITAMIN B5

Vitamin B5, or pantothenic acid, is a water-soluble essential nutrient. It plays a vital role in the production of red blood cells and hormones, as well as converting fats, proteins, and carbohydrates into energy. When applied regularly, it offers numerous benefits.

Vitamin B5 enhances stratum corneum hydration, reducing water loss through the skin and maintaining a soft, elastic texture. It provides a comfortable and tender sensation without greasiness. Additionally, vitamin B5 exhibits anti-inflammatory properties, alleviating irritation and reducing the inflammatory response caused by UV exposure. It also improves the skin's protective capacity.

VITAMIN B5 PURE SERUM

- ✓ Reduce sensitivity
- ✓ Improve peeling
- ✓ Moisturizing repair

5mL/20mL/50mL

Feature

Vitamin B5+ Ceramide III, a special double-agent formula, is the best choice for sensitive and dry skin.

The high-concentration B5 stock solution effectively enhances stratum corneum hydration, reduces water loss through the skin, and promotes softness and elasticity. It is considered a highly beneficial and impactful ingredient in skincare.

This is a double-layer dosage form, shake it well before use and then use it with a dropper.

Ingredients

- 5% D-Panthenol
- Centeella Asiatica Extract
- Ceramid III
- Kalancho Spathulata Extract
- Niacinamide

Enhance Barrier Strength | Prevent skin inflammation | Promote wound healing | Effective antioxidant | Anti-Aging

Vitamin C is renowned in the skincare realm for its remarkable benefits. As an incredible antioxidant and anti-inflammatory nutrient, it is known to enhance skin tone and texture, provide hydration, and diminish signs of aging.

Vitamin C is an essential nutrient that humans cannot synthesize by themselves. It is a natural water-soluble antioxidant known for its skin whitening and anti-aging effects. It plays a vital role in collagen synthesis, and help prevent and treat UV-induced skin damage. Moreover, vitamin C has the ability to reduce melanin production, making it effective in addressing skin concerns such as pigmentation or spots.

VITAMIN C PURE SERUM

- ✓ Lighten spots
- ✓ Brighten skin
- ✓ Improve dullness

5mL/20mL/50mL

Effective Antioxidant | Whitening and Lightening | Increase skin resiliency

Feature

New revolutionary technology: Vitamin C+E, delivering double effect to create a perfect whitening skin. Sourced from the world's largest manufacturer, Royal Netherlands, our product contains over 99% pure vitamin C. With a potent concentration of 12%, it ensures both effectiveness and safety, resulting in a highly efficient whitening effect. Our innovative anhydrous formula maximizes absorption, ensuring swift recovery and visible melanin inhibition in only 7 days. Vitamin E further enhances this synergy, delivering optimal antioxidant benefits.

- ◆ This product contains high-purity vitamin C, which may be oxidized and seem slightly yellowed due to exposure to air, but it does not impair the effect of the product, so please feel free to use it.
- ◆ Please lock the cap tightly after use. It is recommended to finish it off within 3 months after of opening.

Ingredients

- 12% Ascorbic Acid
- Tocopheryl Acetate
- Vitamin C+E
