

SUN•BRELLA[®]

Broad spectrum SPF50 protection and light.
98% effective sun protection.

SPF50⁺ / PA++++ / ★★★★★ / UVA/UVB

Specifically designed for Asian skin

secret 1. 98% effective sun protection

Broad spectrum SPF50 protection against the look of UVA/UVB-induced aging.

secret 2. Double-tested to ensure defense is effective

During a test of yellow-skinned Asian people, the sun protection factor was detected, and the most appropriate formula for ultraviolet light was developed for yellow-skinned people.

secret 3. Watery and oil-free

Exclusive, perfect oil phase-changing technology and micro-droplet oil-free, water-like formulation, specially designed for skin in tropical areas.

secret 4. Dedicated to fragile skin after surgery

It has a unique, multi-layer, low-profit coating technology, adds high-efficiency, anti-allergic and anti-inflammatory ingredients and has passed the sensitive application test.

secret 5. Finish makeup in three steps and six minutes

After applying sunscreen, you can finish your makeup easily and create beautiful skin easily. Only put on sunscreen without makeup to prevent base makeup products from damaging the skin.
